

Prince Albert FMA – Sakâw Askiy (www.Sakâw.ca)
Public Advisory Group Meeting
Tuesday, October 17th, 2014 9:00 am - 4:00pm
Agenda

Where: Snowfield Road

Who: Sakâw Representatives
Public Advisory Group (PAG) Attendees

Meeting Objective: Field Tour of Snowfield Road

Please register now for this Field Tour to demonstrate various aspects of life cycle of blocks including fresh cut, various regeneration aged stands, plantations, retention and riparian area treatments. Field tour will take place rain or shine but not blizzard. Participants will be asked to dress for the weather, wear sturdy boots, and bring their own water and snacks. Lunch or box lunch will be provided.

Those requesting to carpool need to inform us ahead in advance.

Those who have trucks and can offer to carry passengers, please inform me in advance.

9:00 a.m. Arrive at P.A. Fire Base, on Hwy 2 north of P.A. bridge (Look for Smokey Bear)

- Carpool in trucks/van – to be determined based on response to invites

9:30 a.m. Depart P.A. Fire Base for Snow Castle Lodge Junction

10:30 a.m. Arrive Snow Castle Junction

- rendezvous with meet others joining us from Candle Lake and locale

10:40 a.m. Depart Snow Castle Junction for field tour

- Michelle will lead morning tour:
- 1960s cut
- 1987 plantation

11:30-12:00 Box Lunch provided – Susan will confirm if Snow Castle lodge is operating and can provide any services as a lunch spot, otherwise picnic en route. Continue on afternoon tour.

Ed will lead afternoon tour:

1:30 p.m. Arrive KM 36, fresh harvest of jack pine

- Fresh plant – spruce block right alongside road
- Fresh cut block showing retention, riparian area

2:30 - 3 p.m. Complete field tour, depart for P.A.

4:00 p.m. Arrive P.A.
