Dear Diane:

Re: Sakaw 2019-2020 Operating Plan Approval and On The PA FMA

Please find enclosed a copy of the Sakaw Askiy Management Inc. (Sakaw) PA FMA 2019-2020 Operating Plan Approval # 19/20-PAFMA-SAKAW-OP1, the 2019-2020 Aquatic Habitat Protection Permit # 19/20-PAFMA-SAKAW-AHPP01, the 2019-2020 Temporary Work Camp Permit # 19/20-PAFMA-SAKAW-TWCP1 and for forest product storage Miscellaneous Use Permit # 19/20-PAFMA-SAKAW-MUP1. The plan approval includes both general operating approval conditions and area specific conditions. Please note that all amendments to the 19-20 plan must be coordinated through the Sakaw Manager.

At this time MoE Inspecting Officers for the forest operations covered under the authority of this operating plan will be Matthew Burtney (953-2299) Mike McColgan (953-2670) and Matt Eckert (953-2434) from the MoE Forest Service. I will update you on any changes to this status in a timely manner.

The Forest Service will continue to work with Sakaw to ensure operating plans are consistent with code and linked to obligations in the Forest Management Plan. The Forest Service wants to ensure no disruption of operational approvals each year. We look forward to the kick off meeting to clarify expectations for both parties. Any exceptions to the code and standard should be discussed at this time.
