Dear James:

RE: Amendment to the Operating Plan Approval

The Forest Service will be amending the Sakâw Askiy Management Inc. (Sakâw) operating plan approval 23/24-PAFMA-SAKÂW-OP1.

1. Approval condition #30 is to be removed from the approval document and no longer considered a condition of approval.
2. Sakaw has permission to leave gates open on closed roads due to continued vandalism of the gates. The closed roads where gates are to be left open must have appropriate signage in place indicating the status of the road.
3. Sakaw has approval to allow for the alternate approach to hardwood regeneration assessments to be used for the 2023/2024 operating year.
